1. Carpentry and Painting Supplies
2. Construction Materials
3. Filters
4. Furniture Upholstery/ Refurbishment
5. Hardware and Tools
6. Lighting Supplies
7. Safety Supplies
8. Equipment Spare Parts
9. Testing Equipment
10. Facility Service

In order to support the policy of the Macau SAR Government of giving priority to local suppliers and cultivating local small and medium enterprises (SMEs), the “Macao SME Procurement Partnership Program” developed by Wynn and the Macao Chamber of Commerce aims to target three major enterprises, including Small and Micro Enterprises, “Made in Macao” Enterprises and Macau Youth Enterprises. Through this program, Wynn will provide a list of procurement items in 36 categories, with each quarter to focus on one major area ranging from food & beverage to hotel operation, facilities and other categories such as service agreements, etc.

Wynn believes that the development of local enterprises is key in promoting the diversification of Macau's economy. Wynn Macau opened in 2006 and since then we have continued to actively look for qualified local companies that can provide competitive and high-quality products and services, with the aim of building a long term and mutually beneficial partnerships with local SMEs. Over the years, Wynn's development has mirrored the growth of local SMEs. The opening of Wynn Palace in Cotai will not only bring another luxurious integrated resort to Macau, but will also drive the development of various business sectors, bringing more business opportunities for local companies and thus further developing the local supply chain.
