## INTRODUCING WYNN MACAU

As Asia's leading Las Vegas-style luxury resort, Wynn Macau and the Encore at Wynn Macau continue to raise the bar for excellence. It holds the distinct honor of being the only Resort in the world with 8 Forbes Five-Star Awards, garnering Five-Star awards for its hotel, restaurants and spas.

The more than 1,000 rooms and suites at the luxurious Wynn and Encore towers are exquisitely furnished and extravagantly spacious featuring Wynn signature beds, Egyptian linens, touch control technology and spectacular views.

Home to the world's leading chefs and award-winning restaurants with stunning décor, diners can enjoy a rare opportunity to taste authentic Tan cuisine at the Michelin two-star Golden Flower restaurant, embark on a culinary adventure at Mizumi, the only Michelin two-star Japanese restaurant in Macau, indulge in sumptuous Cantonese classics at the Michelin-star Wing Lei and sample Italian specialties in a theatrical setting at Ristorante il Teatro. The prestigious Forbes Travel Guide also rates Golden Flower, Wing Lei, Mizumi and il Teatro as Five-Star restaurants.

For casual, yet elegant dining, guests are welcome to try regional Chinese cuisine at Red 8, international dining at Café Esplanada, the rich flavors of Macau at Café Encore, and hand-pulled noodles at 99 Noodles. Once the sun sets, Cinnebar is the perfect oasis for pre-dinner aperitifs, while the opulent Bar Cristal at Wynn, with its jewel-box inspired décor, is ideal for cocktails.

Wynn Macau is also home to the most fashionable names in luxury retail. From the trendsetters who influence style to limited edition jewelry, visitors will be amazed by the extraordinary collections at both the Wynn Esplanade and the Esplanade at Encore.

With two Forbes Travel Guide Five Star award-winning spas, luxurious fitness centers and a dedicated hair salon, total restoration of body and mind awaits. The Spa at Wynn Macau offers the luxury of choice with more than 30 therapies expertly delivered in spacious, serene surrounds, while The Spa at Encore provides an intimate haven of sophistication.

For business travelers, the meeting and conference areas offer state-of-the-art facilities to ensure that events are flawless and exceed guest expectations. The Convention Area features 2,880 sq. m. (31,000 sq. ft.) of flexible, multi-purpose meeting space. Renowned for its strict attention to detail, Wynn Macau is a preferred destination for intimate weddings and private banquets.

For entertainment, Wynn Macau features Macau's only choreographed Performance Lake and an astrologically-themed atrium featuring a Tree of Prosperity and a Dragon of Fortune. Also not to be missed is the impressive Moon Jellyfish Aquarium at the reception area of Encore. Home to Moon Jellyfish from Japan and Taiwan, these beautiful, translucent creatures dance playfully in the display tank, one of the largest of its kind in the world.

# PERFORMANCE LAKE

Lofty plumes of water and fire dance gracefully to choreographed music of all genres – from Broadway show tunes to renowned Chinese songs. Powerful LED lights add an extra dash of drama to the Performance Lake, creating intense blues and crimson reds for a dramatic burst of color.

## **WATER**

The lake houses over 300 water nozzles and shooters and holds 3,028,329.44 liters (800,000 gallons) of water. From lyrical sweeps to the robust precision of vertical jets, water elements arise from the basin to capture both the subtlety and grandeur of the music they accompany.

## **LED LIGHTING**

More than 1,500 powerful LED lights paint the entire Performance Lake in vivid colors. The individually controlled LED lights allow for a choreographic masterpiece capable of expressing a complexity of moods, rhythms and emotions.

## **FIRE**

Seven imposing fire experiences burst forth to punctuate the choreography during passionate phrases, adding a primal heat, light, and immediacy to the experience.

## **MUSIC**

Ranging from classical pieces to popular music, Broadway show tunes and Chinese songs, the selection of musical works chosen by Mr. Wynn for the fountain's performance are beautifully choreographed in a rich dynamic collection of performances in water, light, color and fire.

## **CREATED BY**

**WET** develops contextually motivated water fountains. Design and invention join to express the unique character of each project. Diverse physical and cultural environments guide the design of a WET fountain.

Since the firm's founding in 1983 by Mark Fuller, Chairman and CEO, WET has grown into a company of designers, engineers and technical specialists engaged in the design and development of water features for installations worldwide.

## **PERFORMANCE SCHEDULE**

# ROTUNDA

## TREE OF PROSPERITY / DRAGON OF FORTUNE

*Performances at Wynn Macau's Rotunda atrium*

Featuring spectacular and sparkling movement of kinetic sculptures, video, light and music, the Rotunda houses two of Wynn Macau's one of a kind guest attractions – The Tree of Prosperity and the Dragon of Fortune. Symbolizing vitality, good fortune and well-being, these performances are designed to thrill and excite guests as they enter. In addition, the Rotunda includes a Chinese zodiac cupola and a Western zodiac dome.

### **TREE OF PROSPERITY**

The iconic Golden Tree of Prosperity rises up from below and dazzles with its golden leaves and branches.

The 11 meter tall Tree has 60 limbs, more than 2,000 branches, and 98,000 leaves. Three different colors are blended throughout the Tree and its leaves, and the finest materials are used. The leaves are composed of 24-karat gold leaf and brass leaf. The base is a combination of brass metal flake and 24-karat gold leaf. The entire piece is subtly colored using stained glass paint. In all, 340 liters of gold paint, 25,000 square feet of gold leaf, 6 kilograms of gold flake, 3 kilograms of gold glitter, and 117 liters of gold leaf sizing were used.

Rays of light illuminate the Tree and change into vibrant colours allowing for a choreographic masterpiece representing different seasons.

**LED VIDEO SCREEN** - Dramatic, swirling, and transforming patterns are featured in the giant 20 meter diameter LED video screen once the Chinese zodiac cupola opens like an iris, expressing a complexity of rhythms and emotions.

**CRYSTAL CHANDELIER** - Composed of 21,000 crystals, each carrying a white light, the 11 meter diameter sparkling chandelier adds glitter and glamour to the experience when the LED video screen splits into two.

### **TREE OF PROSPERITY PERFORMANCE SCHEDULE**

Shows start from 10:30 am to 11:30 pm daily and alternate between the Tree of Prosperity and the Dragon of Fortune at 30 minutes intervals. Each show lasts for about five to eight minutes.

**DRAGON OF FORTUNE**

The powerful Dragon of Fortune emerges in a rolling fog from the Rotunda cellar and rises to a height of 28 feet. The Dragon features an animated head complete with glowing eyes and billowing smoke from its nostrils. The beautiful Lotus Blossom opens twelve feet in diameter and produces a dramatic crystal light effect.

The entire Dragon and Lotus is fabricated from molded fiber reinforced resin and steel. The Dragon and base are covered with 2,450 square feet of gold leaf. The sculptural base is themed to resemble carved jade set within decorative gold frames. The jade is made of stained glass resin castings back lit with 15,452 LED lights embedded behind a holographic film.

**CHINESE ZODIAC CUPOLA**

The 21 meter diameter gold cupola in the ceiling features twelve sculpted, dynamic animals from the Chinese zodiac, including *rat, ox, tiger, rabbit, dragon, snake, horse, sheep, monkey, rooster, dog, and pig.*

**WESTERN ZODIAC DOME**

Echoing the Chinese zodiac cupola is a dome of the western zodiac on the floor. The 10 meter diameter copper dome, engraved with 18<sup>th</sup> century astronomic charts, features 12 astrological signs, including *Aries, Taurus, Gemini, Cancer, Leo, Virgo, Libra, Scorpio, Sagittarius, Capricorn, Aquarius, and Pisces.*

**DRAGON OF FORTUNE PERFORMANCE SCHEDULE**

Shows start from 10:00 am to 12:00 am daily and alternate between the Tree of Prosperity and the Dragon of Fortune at 30 minutes intervals. Each show lasts for about five to eight minutes.

# MOON JELLYFISH AQUARIUM

For a sublime and enchanting display of underwater magic, the impressive Jellyfish Aquarium located in Encore lobby is home to Moon Jellyfish from Japan and Taiwan. These beautiful translucent creatures, which are naturally found in temperate and subtropical oceans around the world and grow up to 30cm in bell diameter, dance playfully in one of the largest tanks of its kind in the world.

<b>MOON JELLYFISH</b>	Moon Jellyfish are naturally found in temperate and subtropical oceans around the world. The jellyfish at Encore originate from Japan and Taiwan. They live up to 2 years in captivity and grow to up to 30cm in bell diameter.
<b>SCIENTIFIC NAME</b>	<i>Aurelia aurita</i>
<b>DISPLAY TANK</b>	The display tank has a capacity of approximately 11,000 liters. At 7.5 meters long, 2.2 meters high and 0.7 meters wide, it is believed to be the largest tank of its kind in the world.
<b>DIET</b>	The natural plankton diet of the Moon Jellyfish is substituted with a live crustacean called Artemia, which is cultured in the facilities on site. The jellyfish are fed four times daily.
<b>CARE</b>	The Encore Jellyfish Aquarium is attended by four trained aquarists who are responsible for ensuring the filtration, feeding, maintenance, and water quality of the exhibit. The jellyfish are given a rest period each day in the early hours of the morning. While they are resting, all lights are turned off and the tank is covered with a mural of mango-colored jellyfish, which was painted in California.
<b>BREEDING PROGRAM</b>	The Encore breeding program produces baby jellyfish by harvesting larvae from the adults which settle into polyps and produce the first jellyfish larval stage called ephyrae. The ephyrae are held in tanks behind the main display and grow up to become juvenile moon jellyfish before ultimately completing this wonderful animal's life cycle as adults.
<b>LOCATION</b>	The Jellyfish aquarium is located in the Encore Lobby

**SMOKE-FREE ENVIRONMENTS**

To ensure good ventilation all throughout the casino, the two smoking lounges inside the casino are equipped with independent mechanical ventilation system and operate under a negative pressure environment. Wynn Macau has also installed an Ionair<sup>®</sup> Fresh Air System. So regardless of where you are, you will always breathe in clean air. The process of ionization creates a comfortable indoor air climate through the reduction of airborne germs, bacteria, mildew, mould and the neutralization of smoke and other odors. Fresh and clean air is formed without UV rays or the addition of chemicals through the activation of positive and negative ions, the same process that happens in nature. Guests can rest assured that they are playing in a clean and healthy environment.
