XS The Nightclub at Encore

LAS VEGAS — As one of the most sophisticated nightclubs in the world, XS provides an elegant and passionate club environment that surrounds Encore's sparkling pool. Designed by Roger Thomas, executive vice president of design for Wynn Design and Development, the venue is inspired by the sexy curves of the human body and decorated in rich gold, black, bronze and browns.

As guests make their way through the space, each focal element is unveiled. The mesmerizing, gold leaf body forms draw guests into the club. Once at the top of the entrance stairs, their eyes are drawn to the illuminated outdoor pool and island bar, highlighted by a ten foot rotating chandelier. To the left and right sides of the room, concave gold leaf female torsos also make a bold statement.

Dance poles designed to look like lanterns and chandeliers are spread throughout. Mirrored mosaics, gold crocodile embossed leather, Kinon laminates, black Galazy mosaics, brushed brass and gold resin bar tops collaborate to form a rich, sexy nightclub environment. There are more than 10,000 individual sources that illuminate light throughout the club.

With more than 40,000 square feet of indoor and outdoor space, guests have the opportunity to sit at one of the 170 indoor VIP tables or enjoy their bottle service poolside in one of the 30 VIP cabanas. The indoor tables surround the circular dance floor and two large sliding glass doors open up to bring the night air sky inside. Poolside lounge tables also allow for complimentary seating.

Signature only to XS, the "Ono" cocktail features Charles Heidsieck Champagne Charlie 1981 and Louis XIII de Remy Martin Black Pearl cognac. Men's sterling silver cufflinks embossed with stingray and the raised XS logo and a woman's 18K white gold chain with a black pearl pendant and XS logo are also included with the purchase of the \$10,000 cocktail.

A nightclub would not be complete without music, and XS has secured some of the top tier electronic artists in the world as resident DJs. Dubbed "Las Vegas' dance music mecca" by MTV, the world's top talent including The Chainsmokers David Guetta, Diplo, Marshmello, Alesso, Afrojack and more all call the booth at XS their home in Las Vegas.

Since opening, XS has received countless awards and accolades from the media. Most notably, it has been named the top grossing nightclub in the country based on annual revenue by *Nightclub & Bar's* Top 100 list in 2010, 2011, 2013, 2014 and 2015, the first venue to ever achieve the honor five times. It was also deemed 2010 New Club of the Year and Mega-Club of the Year by *Nightclub & Bar* in both 2010 and 2013.

Table reservations (702-770-0097) are highly recommended. Open Friday and Saturday nights from 10 p.m. to 4 a.m. and, additionally, on Sunday and Monday Nights seasonally for NightSwim. XS is located on The Esplanade at Encore.
