Wing Lei Lounge

Relax in comfort

Sharing its name with - and located only a stone's throw from - the exceptional Michelin-star signature restaurant of the same name, Wing Lei Lounge offers guests a little piece of Utopian heaven where they can escape from the stress and hassle of reality for however long they desire. Whilst boasting a world class selection of wines and liquors, it is the cocktails and homemade snacks which make this lounge a cut above the rest and a popular gathering point.

Professional and accommodating staff strive to create a serene atmosphere, where you can walk inside, relax in extreme comfort and let the beverage of your choice take you to an even greater level of relaxation.
