## DINING AND NIGHTLIFE

### FINE DINING

#### ANDREA'S

Andrea's is the first restaurant to combine dining and nightlife experiences into one environment, marking the beginning of a new era in dining at Encore. Dine before or after your visit to XS, Encore Beach Club at Night, or Intrigue nightclubs, or just stay at Andrea's for imaginative cocktails in an alluring atmosphere. Chef Devin Hashimoto brings his mastery of Asian flavors in a fun, high-energy setting for an experience you can't find anywhere else. Dinner served nightly.

#### CIPRIANI

Since it opened as Harry's Bar in Venice, Italy, Cipriani has expanded to New York, Hong Kong, Monte Carlo and Ibiza, and now to its first restaurant on the West Coast. Cipriani exudes timeless elegance with nautical touches, glossy walnut and chrome accents, and terrazzo floors. Look for signature classics such as the original carpaccio alla Cipriani, vanilla meringue and the iconic Bellini, invented by Giuseppe Cipriani Sr. in 1948.

#### COSTA DI MARE

Chef Mark LoRusso celebrates the traditions of Italian cuisine at Costa Di Mare with house-made pastas and over forty varieties of fresh fish and shellfish flown in daily from exclusive purveyor in the Mediterranean. Sit in the dining room or outside in a private cabana surrounding the serene lagoon. Dinner served nightly.

#### LAKESIDE

Chef David Walzog turns classic American cuisine on its side with his modern interpretations of seafood, meat and poultry dishes that are simply (and deliciously) prepared using one of five techniques—grilled, braised, poached, oven-roasted or char-broiled. Surrounded by a pinetree mountain and sweeping views of the Lake of Dreams, this sensory-driven experience is about fabulous food, spirited revelry and good times. Dinner served nightly.

#### MIZUMI

Drawing its inspiration from timeless Japanese design motifs, Mizumi captures the sophistication and edge of Japan's modern urban cities, creating the perfect complement to refined and satisfying cuisine. Whether seated in Mizumi's main dining room or the theatrical teppanyaki room, there are unimpeded views of a captivating Japanese eco-garden and waterfall designed to transport guests from the desert to the Far East. Dinner served nightly.

## SINATRA

Acclaimed Chef Luke Palladino creates a culinary salute to Ol' Blue Eyes. The singer's charisma and style are kept alive through a reinterpreted Italian menu that emphasizes the chef's seasonal approach to the country's signature dishes. Dinner served nightly.

## SW STEAKHOUSE

Chef David Walzog presents his unique interpretation of the classic American steakhouse on the Lake of Dreams. Entrees are skillfully paired with sides that allow Chef Walzog to show off his culinary chops with seasonal and exotic ingredients. Dinner served nightly. SW Veranda, located above SW Steakhouse, is available for private events overlooking the Lake of Dreams.

## TABLEAU

Just steps away from the private Wynn Tower Suites elevators, you'll find the bright and elegant American-style restaurant Tableau. If you are a guest in our Wynn Tower Suites, this is where you will enjoy daily complimentary breakfast. Tableau's menu builds on seasonally-sourced ingredients to present market-fresh breakfast, lunch and brunch. Choose to sit in the conservatory to enjoy the gorgeous views of the Wynn resort pools or dine poolside on the patio. Breakfast, lunch and brunch served daily.

## WING LEI

A decadent twist on early French-influenced Shanghai, the dramatic décor is as unique as its sumptuous cuisine—a masterful mix of Cantonese, Shanghai and Szechuan cooking styles, all brought to life by Executive Chef Ming Yu. Wing Lei is the recipient of the prestigious Forbes Five Star Award and is the first Chinese restaurant in the United States to receive a Michelin star. Dinner served nightly.

## **CASUAL DINING**

### ALLEGRO

Located at the cornerstone of theater row, Allegro offers a new take on Italian-American favorites. Inspired by the literal translation for the musical term 'allegro' – a cheerful, brisk and lively tempo – this bustling Italian eatery provides Executive Chef Enzo Febraro a stage from which to create classic Italian-American cuisine, merging old-world tradition and new-world innovation. Dinner served nightly.

### THE BUFFET

Fifteen live-action exhibition cooking stations and a sumptuous array of extraordinary dishes make this ultimate all-you-can-eat experience one that will redefine your notion of buffet dining. Breakfast, lunch

and dinner served daily, with Champagne brunch on Saturday and Sunday.

**CHARLIE'S BAR + GRILL** Named for Las Vegas "super host" Charlie Meyerson, Charlie's Bar + Grill offers all-American fare in the heart of the Race and Sports Book, with prime views of the action on multiple screens. The eclectic menu features breakfast, lunch, dinner and late night selections with epicurean versions of all your tailgate favorites, such as burgers, loaded dogs, barbecue and shareable appetizers like sliders, giant pretzels and loaded nachos. Pair the menu items with frozen shakes and floats, 16 beers on tap and a rotating list of craft microbrews for a unique and exciting sports bar and grill experience.

**DRUGSTORE CAFÉ** Serving a wide array of espresso, coffee drinks, classic breakfast pastries, elegant desserts, savory sandwiches and salads. Open 24 hours.

**GOODIES ON DEMAND** Wynn Las Vegas introduces Goodies on Demand, a curated marketplace and café located adjacent to the Encore registration lobby. Goodies on Demand offers a selection of dine-in and take-out fare, including breakfast pastries, artisanal coffee, tartine sandwiches, farm fresh salads, housemade pizzas, acai bowls, sweet and savory snacks and more.

**JARDIN** Jardin offers panoramic views of the Encore pool and is the setting for Chef Pedro Gonzalez's seasonal garden of delights for breakfast, lunch and dinner. The restaurant offers casual elegance with a menu that is equal parts innovative and approachable American cuisine. Dine inside for the best vantage of Jardin's in-the-round views, or request a patio table to immerse yourself in the picturesque setting day or night. Breakfast, lunch and dinner served daily.

**LA CAVE** Restaurant impresario Michael Morton teams with Wynn Las Vegas to create La Cave, an intimate, stylish wine and food hideaway. With its low-slung ceilings and cozy nooks, La Cave is the ideal retreat for indulging in hot and cold small plates, oven-fired flatbreads, charcuterie and modern specialties that are perfect for sharing and wine pairing. In addition to the innovative wine program, La Cave features an extensive selection of handcrafted beers and fine spirits, making this the ultimate spot for lunch, dinner and late night revelry. Lunch and dinner served daily.

## LOBBY BAR AND CAFÉ

She was an object of desire to the Gods, so, fittingly, the goddess Daphne presides over this witty and stylish lobby bar, beckoning with ultra-plush sofas and low slung seating. Enjoy breakfast, a light bite, glass of wine, favorite cocktail or late night snack. Breakfast, small plates, appetizers and desserts served daily.

## RED 8

Experience the excitement and bold flavors of Southeast Asian cuisine. Chef Chen Wei Chan's restaurant serves authentic tastes from Cantonese noodle dishes to Hong Kong-style dim sum and barbecue in a casual setting. Lunch and dinner served daily.

## TERRACE POINTE CAFÉ

Terrace Pointe Café at Wynn showcases lively decor, replete with sunlight that streams in from the floor-to-ceiling windows and a panoramic view of the carefully manicured gardens surrounding the Wynn resort pool. Breakfast, lunch and brunch favorites are perfectly prepared and presented in this relaxed café with a refined feel. Indulge in specialties like brioche French toast, truffle mushroom Angus burger, or a triple thick malted shake or banana split waffle bowl sundae poolside on the sizable patio. Breakfast and lunch served daily.

## URTH CAFFÉ

Urth Caffé offers exclusively heirloom, organic coffee and sustainable, fresh organic ingredients that span the spectrum of healthy living, from vegan to gluten-free to purely decadent. A fountain hand-tiled in the Malibu tradition surrounds an olive tree and sits at the center of the skylit room.

## WAZUZU

This dramatic restaurant adorned with a beautiful glittering 27-foot dragon made of 90,000 individual crystals showcases Chinese, Japanese and Thai cuisines by Chef Michael Chen. Lunch and dinner served daily.
