## **Wynn Macau and Encore Macau Honored on Forbes Travel Guide's Verified List for 2019 World's Best Hotel Rooms**

*Wynn and Encore chosen among just six hotels in China; Wynn is the only Macau brand selected*

**Macau, May 22, 2019** – Wynn is the only hotel brand in Macau to be ranked on the prestigious Forbes Travel Guide (FTG) 's Verified List for World's Best Hotel Rooms in 2019, with both Wynn Macau and Encore Macau earning two places on the list among just six hotels chosen from all across China. This is once again testament to Wynn's outstanding levels of service and continued commitment toward transforming Macau into a World Center of Tourism and Leisure.

"We are extremely proud to receive these highly coveted honors from Forbes Travel Guide," Ian Michael Coughlan, President of Wynn Macau, Limited said of the Verified List for 2019 World's Best Hotel Rooms. "Each day, both Wynn Macau and Encore Macau are dedicated to delivering memorable experiences for guests from all around the world. We aim to provide an unparalleled five-star stay that is uniquely tailored for each one of our guests. Moving forward, we will continue to offer exceptional standards of service and contribute to the diversified development of Macau tourism."

Wynn Macau also remains as the only resort worldwide with eight Five-Star awards on the FTG Star Rating list, having achieved this honor for the third consecutive year in 2019. Together with Wynn Palace, which earned a Five-Star triple crown with six Five-Star awards, the two hotels have earned 14 Forbes Five-Star awards combined, making Wynn the most decorated Integrated Resort Brand in Asia.

FTG's incognito inspectors compile data from their hotel experiences and strictly evaluate each hotel based on up to 900 standards. Hotels must achieve a perfect score in order to be ranked on the FTG's Verified List of World's Best Hotel Rooms. This year, FTG selected just 41 properties from across 17 countries. The list features properties that offer the best software and hardware with guest rooms and bathrooms that reflect detailed attention to the level of sumptuous comfort, along with luxurious choices and convenience.
