Buns & Bubbles

Fresh-from-the-oven Chinese and Western pastries served throughout the day

Wynn Macau is now home to the immensely popular Buns & Bubbles bakery. Elegantly designed and remarkably spacious, guests are welcome to enjoy sweet or savory bites at any time of day. The bakery's semi-open design gives ample room for visitors to socialize with friends while sampling both Chinese and Western pastries.

Buns & Bubbles caters to the flavors of both East and West with grab-and-go convenience, and is the perfect place for breakfast, lunch, dinner or a light afternoon tea. All throughout the day, our resident chefs prepare piping hot, fresh-from-the-oven Chinese and Western pastries, soft buns, sandwiches and pies. Wynn has also crafted its very own special blend of bubble teas, which is an absolute must and the perfect complement to these melt-in-your-mouth morsels. Or, for those who prefer coffee and flavored teas, Buns & Bubbles also has an excellent selection to choose from.

Buns & Bubbles offers a vibrant atmosphere that is also very warm and welcoming. The stylish interior blends smooth Italian marble with rich textures such as zebrawood and stainless steel. Together, they offer a bright and comfortable space for people to gather.
