## **Wynn Organizes Team Visit to Historical Documentary Exhibition to Mark Twin Milestone Anniversaries**

*Outing cultivates patriotic sentiment through learning about the history of the motherland*

**Macau, October 17, 2019** – To strengthen team members' understanding of Chinese history and the country's cultural development, Wynn gathered a group of team members, led by Ms. Linda Chen, Vice Chairman and Executive Director of Wynn Macau, Limited to visit the "Historical Documentary Exhibition for Celebrating the 70<sup>th</sup> anniversary of the founding of the People's Republic of China and the 20<sup>th</sup> anniversary of the establishment of the Macao SAR". The exhibition is co-hosted by the Macao Chamber of Commerce, the Macao CPPCC Provincial Members' Friendship Association and the National Library of China, at the Handover Gifts Museum of Macao.

Organized as part of the celebrations of the twin milestone anniversaries, the exhibition is divided into eight major themes, showcasing nearly 100 exhibits including precious literature, historical photographs and booklets, all lent by the National Library of China, facilitating greater appreciation of the history of the country's development. As this year marks the 70<sup>th</sup> anniversary of the founding of the People's Republic of China and the 20<sup>th</sup> anniversary of the return of Macau to the motherland, Wynn hopes that this visit will encourage team members to deepen their knowledge of national history. This will in turn help to inspire and cultivate their patriotic feelings towards the country, as well as their sense of belonging, identity and pride towards the motherland.

For many years, Wynn has organized a series of national education activities to promote the patriotic spirit and love of China and Macau, including lectures under this theme, national seminars and various exhibitions and visits. In celebration of the National Day of the People's Republic of China, Wynn recently hosted a national education seminar under the theme of "Me and My Motherland", and invited Prof. Pang Chuan and Dr. Lao Chi Ngai, both senior Macao scholars and members of the Legislative Assembly, to share the history of the country's rapid development with over 600 Wynn team members, enabling them to have a deeper understanding of China's history and its future prospects.
