Wynn Fully Supports “Walk for a Million” virtual walk

Macau, December 14, 2020 – Wynn’s commitment to giving back to society means that it regularly takes part in various community charity events and contributes to charitable causes, benefiting vulnerable groups. Although the format of this year’s “Walk for a Million” event has changed amid the pandemic, Wynn’s enthusiasm to actively participate in social welfare continues. Wynn brought together about 5,400 team members and their family and friends to participate in the “Walk for a Million” virtual walk, accumulating a combined total of 50,026,770 steps. The team’s physical activity contributed to the charity and spread the good deed.

Following Wynn’s donation of MOP 600,000 to the Charity Fund from the Readers of Macao Daily News last month, Wynn also raised a total of over MOP 45,000 from the charity raffle tickets, SME charity sale and the children’s section of the “WE Volunteer 10th Anniversary Double Appreciation Charity Fun Fair”, which was donated to the Charity Fund to support the “Walk for a Million” event. In addition, Wynn supported and promoted this annual charity event through various channels, including internal employee communications, and organized promotional activities and a lucky draw in the back-of-house area to encourage team members and their relatives and friends to sign up for the online charity event. In doing so, Wynn gathered the kindness of Macau people and actively participated in the online activity, helping to contribute to this meaningful initiative.

Wynn cares deeply about the local community and has actively supported all sectors of society, as well as vulnerable social groups affected by the pandemic, through various methods. This includes the donation of funds and anti-epidemic materials, while also supporting the SAR government’s anti-epidemic prevention and control efforts. Together, Wynn hopes that these initiatives will contribute to Macau’s overall recovery as it looks towards the future.
