Wynn leads team members to visit photo exhibition on Chinese Communist Party's remarkable achievements

Macau, June 30, 2021 – In view of the upcoming centenary of the establishment of the Communist Party of China (CPC), Wynn recently organized for its team members to visit a photo exhibition celebrating the 100th anniversary of the CPC, enabling team members to better understand China's progress in recent decades and continue to proactively support the country's development trajectory by leveraging and contributing their own strengths.

Led by Ms. Linda Chen, Vice Chairman and Executive Director of Wynn Macau, Limited, about 50 management team members from different departments of Wynn visited the photo exhibition together. They were given a guided tour of the photos during the visit, which deepened their understanding of the century-long history of the CPC. They also benefited from an overview of its significant achievements during the country's reform journey across the fields of politics, economy, peoples' livelihoods and beyond.

The exhibition is divided into four sections and comprises 298 archive photos with explanatory text, reliving the history of the CPC that is a source of pride for the Chinese people and that has led them to become prosperous and strong. The experience enabled team members to gain insight into the heart of the motherland, the meaning of serving the people and the national spirit of perseverance.

The exhibition is organized by the State Council Information Office, the Macao Special Administrative Region Government, and the Liaison Office of the Central People's Government in the Macao SAR, and is co-organized by the Macao Foundation and Nam Kwong (Group) Company Limited.
