Wynn Partners with the Douro Boys to Present “Douro Valley Treasure: A Wine Adventure in Portugal”

*Once-in-a-lifetime 20th Anniversary wine event at Wynn Macau
reveals limited-edition blended Portuguese wines ahead of worldwide release*

Macau, May 23, 2023 — Wynn is pleased to once again welcome Portugal’s top wine producers, collectively known as the Douro Boys, back to Wynn Macau from June 1 to 3. The world-renowned Douro Boys are a group of five Portuguese wine producers – Quinta do Vallado, Niepoort, Quinta do Crasto, Van Zellers & Co. and Quinta do Vale Meão – from the Douro Valley. This year’s **“Douro Valley Treasure: A Wine Adventure in Portugal”** event at Wynn Macau is a true celebration, as it marks the 20th Anniversary of the Douro Boys. Wynn Macau is the first resort destination in the world to reveal two limited-edition blended wines from Portugal – the “Douro Boys Very Old Tawny Port 2023” (only 950 bottles worldwide) and the “Douro Boys Anniversary Cuvée Tinto 2021 Douro DOC” (just 1,350 magnums worldwide). These two blends, which were created from an equal contribution by the five Douro Boys wineries, will not be officially released until September this year. This once-in-a-lifetime, exclusive reveal in Macau takes guests on an exciting discovery of wines from the Douro Valley for the very first time.

Guests of the three-day event will have the opportunity to participate in three engaging wine masterclass sessions with walkaround tastings and a gala dinner, where they can learn all about the colorful and rich history of the wines from the Douro Boys themselves and dine on beautifully crafted dishes prepared by Executive Chef Helder Sequeira Amaral of SW Steakhouse at Wynn Palace and Celebrity Chef, master of Macanese and Portuguese cuisine – Chef Raymond Vong.

Through this collaboration with Portugal’s leading wine producers, Wynn aims to play a role in bridging Macau with Portugal, and promoting Macau's unique position as a "Commercial and Trade Cooperation Service Platform between China and Portuguese-speaking Countries". By proactively organizing culinary events such as these, Wynn also hopes to create a cooperation and exchange platform for Chinese and Portuguese food and beverage industries, while also further promoting Macau’s reputation as a UNESCO-designated “Creative City of Gastronomy”.
