Wynn Receives the Hong Kong Institute of Human Resource Management HR Excellence Awards

Macao, March 13, 2024 – Wynn has consistently placed a high value on training and development, providing an extensive array of training programs to foster upward mobility and build a large talent pool. The “Wynn Management Development Program” has received a Merit in Grand Award of Talent Management under the Organisational Category and an Excellent in Talent Management Award under the Greater Bay Area category from the Hong Kong Institute of Human Resource Management (HKIHRM) HR Excellence Awards. The awards are a testament to Wynn's achievements in human resources management and recognition within the industry.

“Wynn Management Development Program” is a two-year training program that integrates training, hands-on experience, and executive insights to uncover innovative potential and widen the horizons of senior executives. In parallel, Wynn partners with the University of Macao, involving the trainees in programs designed to sharpen their leadership abilities for the dynamic and constantly changing world of business. Wynn is committed to cultivating exceptionally skilled professionals for the sector, promoting talent excellence in the Greater Bay Area, and advancing Macau's position as a World Center for Tourism and Leisure.

HKIHRM is the most representative human resources professional body in Hong Kong, aiming to enhance Hong Kong's HR professional standards and increase the HR profession's influence. Since 2012, the Institute has hosted the HR Excellence Awards to recognize organizations and individuals who achieve business success through outstanding people strategies and practices.

As a large-scale integrated resort based in Macau, Wynn has become the industry benchmark for talent cultivation and development with its international resources, high-quality service standards and industry experience. By launching a variety of training programs, Wynn aims to advance the vertical and horizontal career development of team members, cultivate more industry professionals, help strengthen Macau's contributing to Macau's key role in integrating into the Nation's development strategy for the Greater Bay Area.
