Lamborghini Huracán an immediate success: 700 orders in a month Candidate for 'star of the show' at Geneva Motor Show

Sant'Agata Bolognese, Italy, 12 February 2014 – The Lamborghini Huracán has already obtained 700 orders during a, as yet unfinished, month-long private preview tour worldwide for VIP clients. An excellent start for the heir to the best selling Lamborghini to date, the Gallardo.

The Lamborghini Huracán LP 610-4 is powered by a 610-horsepower 5.2-litre normally-aspirated V10 engine, which allows it to reach a top speed of 325 km/h and accelerate from 0 to 100 km/h in 3.2 seconds, placing it at the top of its segment.

A candidate for 'star of the show' at Geneva Motor Show, it will be the first vehicle to be revealed at the exhibition, during a press conference given by President and CEO Stephan Winkelmann, scheduled for 8 a.m. on Tuesday March 4th, 2014.

The presentation will contain innovative elements – not just the video of the supercar shot over the last few days in Los Angeles, but also the reveal.
