

## Riva 1920 for Automobili Lamborghini at Salone del Mobile 2017

### Collection "Authentic Living"

*Sant'Agata Bolognese/Milan, 4 April 2017* - The new collection of furniture created in cooperation with Automobili Lamborghini by Riva 1920 is presented on the occasion of the Salone del Mobile.

The collection is designed by Karim Rashid, the internationally famous designer, who has been inspired to merge these two worlds together. Riva 1920 shares the values of Lamborghini's philosophy: design, innovation, cutting edge technology, emotion, attention to detail and strong heritage.

A sharing of synergies between Lamborghini and its selected partners, ensures Lamborghini cooperates only with organizations and individuals who share a mission to create uniqueness; offer outstanding quality; guarantee exclusivity and authentic products; and respect the Lamborghini DNA in creating timeless pieces of art in which the brand's strength is preserved.

The result is a range of furniture inspired by Lamborghini, coming from the meeting of two brands able to link excellence and passion.

Each piece of furniture is characterized by sinuous and stylish shapes, appealing through its fine workmanship and the quality of natural and genuine materials, such as walnut solid wood and black leather.

**KLIP** - it is characterized by smooth flowing lines and consists of a top made of solid wood and drawer fronts covered with leather. It is equipped with a practical chest of drawers composed of three drawers assembled with dovetail joints and lateral groove for opening.

**FINESSE** - made of solid wood, it is characterized by asymmetrical supports in curved and shaped plywood covered with leather, in which are fitted six shelves made of solid walnut, 5cm thickness.

Finish: based on natural oil / wax of vegetable origin, with pine extracts.

**KLUTCH** - upholstered chair, covered in leather with visible stitching and sinuous and enveloping forms, with a shaped structure made of solid wood.

Finish: base of oil / natural wax of vegetable origin with pine extracts.
