Lamborghini Huracán Performante Makes North American Debut in New York City

Sant'Agata Bolognese/New York, NY, April 12, 2017 - Automobili Lamborghini celebrated its latest Super Sports Car, the Huracán Performante, with an exclusive reception in New York City, coinciding with the media preview at the New York International Auto Show.

An unveiling of the Huracán Performante, which recently broke the famed Nürburgring Nordschleife track record for a production car (6:52.01), took place at an invitation-only event in the "Made in Italy" style atmosphere of Canoe Studios, overlooking the Hudson river in Chelsea, NY.

"Tonight, we are in the heart of New York City to bring a taste of Italy and unveil our latest automotive creation," said Federico Foschini, Commercial Director, Automobili Lamborghini S.p.A. "The Performante is a proud achievement of new aerodynamics; this vehicle is literally 'sculpted by the wind.'"
