## Collezione Automobili Lamborghini presents spring summer 2019

*Sant'Agata Bolognese/Milan, 18 June 2018* - Collezione Automobili Lamborghini presents its spring/summer 2019 RTW collection during Milano Moda Uomo at historic Palazzo Gavazzi in 23, via Montenapoleone. A Huracán Performante and a Huracán RWD on show in the courtyard welcome guests to the world of Lamborghini.

Inside, the Palazzo becomes The Lounge Milano for Fashion Week, an exclusive space designed to promote key events and offer guests a luxury experience in perfect Lamborghini style. Furnished with items from the Riva 1920 Authentic Living line designed by Karim Rashid, it is the ideal setting to display Collezione Automobili Lamborghini's Apparel Collection. The limited edition triathlon P5X bicycle is also an attention-grabbing addition to the display: a co-branding project with Cervélo and designed in conjunction with Centro Stile Lamborghini.

### The Collezione for Spring Summer 2019

The design and identity of the brand are the essence of Collezione Automobili Lamborghini's collection for spring/summer 2019. The must-have items for next season are dedicated to the Urus Super SUV and super sports cars made in Sant'Agata Bolognese.

Automobili Lamborghini's technology, know-how and research go hand in hand with the sartorial expertise and passion for detail revealed in each individual garment of the brand.

The result is a line of contemporary design menswear offering superior quality that encapsulates the brand's hallmark philosophy in a total look: informal luxury, future shaper, designer of experiences.
