**Collezione Automobili Lamborghini and Gizelle Renee,
British Glover of the Year, launch an exclusive collaboration.
*Gizelle Renee for Lamborghini #GloveYourRide***

Sant'Agata Bolognese, 7 February 2019 - On the threshold of the upcoming New York Fashion Week, Collezione Automobili Lamborghini launches a partnership with British Glover of the Year Gizelle Renee, for the production of an exclusive driving glove collection.

Together with Collezione Automobili Lamborghini, Gizelle Renee has especially created six different designs in a variety of colourways, which reflect the bespoke, pioneering and disruptive Lamborghini brand attributes.

Recognised as the UK's most innovative glove brand, Gizelle Renee offers the ideal combination of traditional craftsmanship and contemporary design, and perfectly fits the Lamborghini 'informal luxury' lifestyle.

Hand-made using the finest Nappa leather and materials, the gloves are a true homage to the iconic cars' design. Like the interior of a Lamborghini super sports car, the gloves feature contrasting colours, design elements such as cuts from the car interior, and are embellished with the carbon fibre used in Lamborghini models. A strategically placed Batwing fastener makes it clear it is a Lamborghini glove, even from afar.

Available from September 2019, retail prices start at € 145.
