Collaborative Pieces of Art with Yohji Yamamoto

Sant'Agata Bolognese, 28 September 2020 - Super sports car brand Automobili Lamborghini is to announce in late October a groundbreaking collaboration with Yohji Yamamoto, the eponymous brand of the world-renowned fashion designer.

The collaboration come together by blending Lamborghini's perspective of adhering to the brand's tradition and DNA while looking ahead to the future and constantly innovating to adapt to the times, and Yohji Yamamoto's unwavering stance since debuting with his Paris collection in 1981 that clothing manufactured to embody philosophies and aesthetics which challenge the status quo. The passion and craftsmanship of these two forces merge and create iconic pieces of art.
