The new candle by Culti Milano for Automobili Lamborghini

The partnership between the two brands continues

Sant'Agata Bolognese/Milan, 2 February 2022 - Automobili Lamborghini confirms its partnership with Culti Milano. Less than eight months since the birth of the first olfactory project with an exclusive room diffuser, the partners now propose an elegant scented candle with the same notes.

An innovative project in which style and design become the protagonists to mark the new proposal: a square shape (210 g), painted white with a matte pearlescent finish and screen-printing with the logos of the two brands in Bronzo Zenas, like the color of the super sports cars. The scent is the original one: energetic and bold, with a citrus opening of grapefruit and bitter orange that turns into fresh and lively notes when it reaches the heart of vetiver and bergamot, finishing in an enveloping breath of cedar and sandalwood.

The product will be available on the digital channels of CULTI MILANO and Automobili Lamborghini; at the Lamborghini flagship store in Sant'Agata Bolognese; in the CULTI HOUSE shops in Milan, Turin, Rome, Forte dei Marmi, Naples, Bari; and from selected wholesale partners.

Scented candle - 210 g, 50,00 Euro
