

AFC HOME REPLICA SHIRT

Style Number: 747566 01

Materials: 100% PES

The 2015/16 Arsenal home replica shirt is Powered by Fans, and takes a modern approach to materials, combined with a more formal and traditional silhouette. The shirt features a grandad collar and gold piping trim around the collar edge. The colour stays true to The Gunners' classic red and white strip that first appeared in 1933. The main body is red to represent the tradition of Gunners through the years, with bold jacquard stripes running horizontally. The white sleeves feature PUMA's classic Form Strip, elegantly highlighted with red piping and combined with mesh inserts for breathability. Additional details included gold trimmed sleeve cuffs, with the shirt back having a contrast white dropped tail back panel.

The shirt also features heat transfer trims for a lightweight, modern take on classic Arsenal design elements, as well as a woven crest. PUMA dryCELL moisture management technology wicks moisture away from the skin's surface, keeping fans dry and comfortable.
